

Information & Data Collection Checklist

To customize the Human Capital Transformation System, design tailor-made SOPs, and configure the digital management dashboard for your retail group, Tadbeer requests the following organizational data:

CATEGORY 01

Store Network & Showroom Locations

- ☐ **Pilot Showroom Location:** Exact address & layout details of the flagship showroom selected for Phase 1 pilot.
- ☐ **Branch Locations List:** Addresses and store sizes of all remaining showroom branches across Oman and Dubai.
- ☐ **Store Headcount:** Number of frontline sales staff, cashiers, supervisors, and store managers per showroom location.

CATEGORY 02

Employee Profiles & Roster Data

- ☐ **Complete Staff Roster:** List of current store employees with Job Titles, Designations & Department.
- ☐ **Employee Demographics:** Age, nationality, years of service, and language capabilities.
- ☐ **Role Responsibility Mapping:** Current assigned daily duties per job title (Sales, Stocking, Cashiering, Supervision).

CATEGORY 03

Current Operations & SOP Manuals

- ☐ **Company Policy Manual:** Existing Employee Handbook, Code of Conduct & HR policies.
- ☐ **Current SOP Documents:** Store opening/closing checklists, product handling, grooming & customer service guidelines.
- ☐ **Attendance & Shift Tracking System:** Details on current time-attendance software or manual roster tracking.

CATEGORY 04

Compensation & HR Benefits Structure

- ☐ **Salary & Commission Structure:** Base salary bands, target commissions, and performance bonus policies.
- ☐ **Leave & Flight Allowance:** Annual leave entitlement, air ticket allowance rules & gratuity payout terms (e.g. 2-year payout cycle).
- ☐ **Medical & Secondary Benefits:** Employer medical insurance coverage levels for employees and dependents.

CATEGORY 05: ORGANIZATIONAL HIERARCHY & APPROVAL WORKFLOWS

- ☐ **Current Org Chart:** Reporting lines from frontline staff up to Store Managers, Regional Managers, and C-Suite.
- ☐ **Approval Workflows:** Escalation paths for discount approvals, customer complaints, stock returns, and schedule swaps.
